

AME CHAMPIONS of HR FOR EXCELLENCE

UPCOMING EVENT TRANSFORMING HR AND LEAN LEADERSHIP AT INGERSOLL RAND

MARCH 8-9, 2018
DAVIDSON, NC
9:00AM-2:00PM

Who should attend

HR professionals, CI professionals and business partners to HR that want to improve the value the HR function provides and/or the topic of lean leadership

PARTICIPANTS WILL:

Learn how to build a lean culture through lean leadership capabilities.

Gain the experience of seeing advanced lean transformation work within the HR function.

Understand the role of applying lean to HR processes in building the skills and background for HR to drive overall lean transformations.

Gain more awareness of lean leadership development practices across multiple companies.

EVENT OVERVIEW

Take advantage of this opportunity to benchmark the role of HR and lean. This event will include lean leadership development and lean transformational work within the HR function. Additional speakers will present at this event on both lean leadership and applying lean to HR.

Attendees will learn about the two key aspects of lean and HR which cover both how lean methods can be used to improve HR functioning and the important role of HR in driving successful lean transformations, including implementing new leadership approaches. Key topics include the lean leadership development program used at Ingersoll Rand and the work in two key processes of HR, including the approach to visual management in the HR area.

HOST COMPANY

Ingersoll Rand (NYSE:IR) advances the quality of life by creating comfortable, sustainable and efficient environments. Its people and its family of brands—including Club Car®, Ingersoll Rand®, Thermo King® and Trane®—work together to enhance the quality and comfort of air in homes and buildings; transport and protect food and perishables; and increase industrial productivity and efficiency. At Ingersoll Rand, sustainability in all its forms – business, social and environmental – is central to its strategy. Ingersoll Rand is a \$13 billion global business committed to a world of sustainable progress and enduring results.
