AME Manufacturing Excellence Award

Intent to Apply Form

Plant Profile

A 2- to 3-page Plant Profile must accompany the Intent to Apply form. Please use the following format. Briefly summarize your plant using the following headings:

Facility Overview: Name of plant, location, square footage of facility, customers/markets served, number of shifts/days per week operating, union/non-union, public or private firm.

Product(s): Describe number and types of products produced at this site.

Process(es): Describe the primary processes that take place in the facility (e.g. R&D, Sales and Customer Service, Supply Chain, Machining, Assembly, Test/Burn-in, Packaging/Shipping, Field Service/Repair).

Number of Employees: Indicate the number of employees at the site and describe the breakdown of the workforce in terms of direct labor, management, administrative staff, etc.

Corporation Overview: Indicate if the plant is a stand-alone organization or part of a larger corporation. If part of a larger organization, provide a brief overview of the parent organization and how this plant fits into the overall organization.

Shared Learning: AME's Mission is "to inspire commitment to enterprise excellence through shared learning and access to best practices." Please respond to the following statements that support the AME Mission:

- Briefly describe your improvement journey (e.g. Lean, Six Sigma, etc.).
- Briefly describe 2 or 3 best practices at your Plant that could be applicable to other AME member companies.
- Briefly describe what other companies might learn from your key achievements and results.

Potential Site Visit Dates: The site assessment visit runs approximately two days and will be conducted between late May to mid-July. Please let us know your first, second, and third choices for dates if your site is selected for a site visit. The dates are not required in your initial "Intent to Apply" but should be part of your Profile description in the Achievement Report submitted.

Note: *The Intent to Apply form and the Plant Profile MUST be included at the front of your Plant's Achievement Report – it can be amended.*
