Travel

Air: They say that getting there is half the battle. Not in Atlanta. Nearly 80% of the U.S. population is within a two-hour flight.

Drive: At the epicenter of the South, three interstates converge in the heart of the city.

City: On the ground, the airport is just 10 miles south of the city and MARTA is accessible in the baggage claim of the airport, the Georgia World Congress Center and near most attractions.
