AME CONSORTIA

SPECIAL OFFER FOR AME **CONSORTIA** MEMBERS

Save \$250
on the AME
Champions Club
membership

AME
CHAMPIONS
CLUB

Champions Club membership allows five key contacts to become full members in AME.

Champions Club members receive complimentary admission to the AME annual and regional conferences, most AME workshops and seminars, and admission to the Champion roundtables to exchange and discuss new philosophies and techniques.

Champions visit the best sites for seeing enterprise excellence firsthand. When they visit, they hear how the practitioners implemented their best practices and experience it through a site tour.

Four select sites are chosen per year. Past and upcoming sites include Lincoln Industries, New Flyer, Costco Packaging, West Point, Toyota Motor Manufacturing and the U.S. Naval Academy.

AME Champions Club members also receive special access to keynote speakers at the AME International Conference.
