

SESSIONS

The great depth and breadth of our practitioner-led sessions means that you will always find something relevant — an idea, a concept or a success story — to keep your journey moving. Industry leaders and change advocates will share the knowledge necessary to keep you moving forward. Explore as many sessions as you'd like and gain insights in a broad variety of topics such as safety, lean in the office and culture change from organizations including:

Neptune

**North Forest
Office Space**

**Sandia
National
Laboratories**

AME TORONTO 2020

Whether you've just started or are several years in, AME Toronto 2020 is sure to energize your continuous improvement journey with fresh insights, engaging experiences and new connections. Don't miss this opportunity to share, learn and grow with the world's largest gathering of fellow lean practitioners at the 36th annual AME International Conference.

KEYNOTES

Nine keynote speakers will inspire and empower you as they share expert insights throughout the conference including:

Chris McChesney

Global Practice
Leader of Execution
FranklinCovey Co.

Chris McChesney is one of the primary developers of "The 4 Disciplines of Execution." For more than a decade, he has led FranklinCovey's ongoing design and development of these principles, and the company's fast growing consulting organization.

Ryan Estis

CEO
Ryan Estis & Associates
Speaker, Trainer, Author

Ryan Estis helps progressive companies embrace change, attack opportunity and achieve the next level of breakthrough performance. His writing has been featured in Forbes, Inc., Fast Company, and Entrepreneur. His clients include AT&T, Mastercard, the National Basketball Association, the Mayo Clinic, Thomson Reuters, Ernst & Young, and Lowe's.

TOURS

AME offers tours of industry leaders' facilities so you can see what really works. You'll see "hands-on" tools and skills in action. Each conference attendee has the opportunity to participate in at least one tour. Discover the best practices and lessons learned from each site's lean journey on tours at organizations including:

Baylis Medical

Cogent Power Inc.
Burlington Plant

Collins Aerospace
Oakville Plant

Hammond Power Solutions
Guelph Plant

Scarborough Health Network

Shawcor
Etobicoke Plant

WORKSHOPS

AME offers in-depth half-day and full-day pre- and post-conference workshops for those looking to maximize learning on select topics including lean accounting, metrics, kata, teambuilding and gemba walks. There is an additional charge for workshops, and advance registration is required. Here is a sampling of the workshops offered at AME Toronto 2020:
